What are your pets' ages and/or what were their ages when they passed, and what was the cause of their death(s)?

How many people are in the household and when are they typically home?

Have you ever used a crate for your pets, and if so, under what conditions?

How will the dog travel to various destinations (i.e., via car, van, back of pickup, etc.)?

Under what circumstances would you deem it necessary to give up a dog?
